PRESS RELEASE

February 2006

“CAVANAGH SERVICES GROUP, INC. RECEIVES BWXT Y-12 CONTRACT FOR MANAGEMENT AND DISPOSITION OF LOW LEVEL WASTE FOR THE Y12 PLANT”

BWXT Y-12, LLC has selected Cavanagh Services Group, Inc. to support the Y12 Plant Disposition of Low Level Waste. The scope of work for the required support services includes waste characterization, waste profiling, packaging, transportation, removal and disposal of the waste. The BWXT award is a one-year term with three (3) one-year options.

With an office and transload facility located in Oak Ridge, TN, Cavanagh is well-positioned to continue to provide the necessary on-site support and transportation services required to ensure the work is completed safely and compliantly. Cavanagh's current experience and excellent working relationship with BWXT Y-12, LLC should make for a smooth transition into the task-order based contract.

Cavanagh Services Group, Inc. supports various DOE projects including the Oak Ridge Closure Project, Rocky Flats Closure Project, Mound Closure Project, Brookhaven National Laboratory and many more. Cavanagh also supports DOD, EPA and the commercial industry.

Safety is a key focus for Cavanagh and since 2002 when the company was established it has had ZERO OSHA recordable accidents. In the 3 short years, Cavanagh has shipped 3 million transportation miles and shipped 1.5 million cubic feet of waste.

Cavanagh Services Group, Inc. recently received certification by the SBA as an 8(a)/SDB small business. This certification is in addition to its classification as a Woman-owned, HUBZone small business.
