

CAVANAGH SERVICES GROUP, INC.

PRESS RELEASE

May 22, 2007

Salt Lake City, Utah

“CAVANAGH SERVICES GROUP, INC. EXPANDS ONSITE PROJECT MANAGEMENT SERVICES WITH KEY HIRE”

Cavanagh Services Group, Inc. announces Mr. Todd W. Eastman has joined its Project Management Team. Todd comes to Cavanagh from Earth Tech, Inc. with over 25 years of experience in the environmental industry specifically with over 25 years of experience specifically in project management and logistics supporting various government agencies.

Mr. Eastman is a long-time, certified Department of Defense broker and brings extensive background in all aspects of project management and waste management including key regulatory knowledge of DoD, USACE, NRC, EPA and DOT requirements. Todd will support Cavanagh on both government and commercial project sites providing onsite project management, waste management, and logistics support.

“We are thrilled to have Todd on our team. His hiring illustrates a key step in Cavanagh’s strategic growth towards becoming a more fully integrated management and transportation service company”, Sue Rice, Cavanagh President. “Todd’s support will definitely strengthen Cavanagh’s expanded onsite management services.”

Mr. Eastman will manage Cavanagh’s Central Regional Office out of San Antonio, Texas, but will travel to various projects providing onsite support. Cavanagh is headquartered in Salt Lake City, Utah, and also has a Southeast Regional Office in Oak Ridge, Tennessee.

Cavanagh Services Group, Inc. is an SBA-certified 8(a)/Small Disadvantaged Business specializing in integrated management and logistics services. This includes project management, remediation support, packaging, transportation, and overall logistics management of moving material, commodities, waste, and/or products.
