**“CAVANAGH SERVICES GROUP, INC. IS SELECTED BY
BWXT Y12, LLC AS A PROTÉGÉ UNDER THE DOE MENTOR-
PROTÉGÉ PROGRAM”**

Cavanagh Services Group, Inc., has been chosen by BWXT Y12, LLC as one of its small business protégés under the DOE Mentor-Protégé Program. Cavanagh was one of eight protégés selected from the 47 applications received.

Cavanagh Services Group provides environmental management and integrated transportation services and is a small, disadvantaged, woman-owned, HUBZone company with offices in Oak Ridge, TN and Salt Lake City, UT. BWXT Y12 is the prime contractor for the National Nuclear Security Administration (“NNSA”) at the Y12 Plant in Oak Ridge, TN. BWXT Y12’s commitment to small business is unsurpassed. The company has won numerous awards as a result of their dedication and support to small businesses.

As the mentor, BWXT will assist Cavanagh in its continued growth as a small business by offering various technical, project management, and business management support. “Cavanagh is proud to be a part of the BWXT Y12 Mentor-Protégé program. With their long-term demonstrated commitment to helping small business, our company will greatly benefit”, Sue Rice, Cavanagh Services Group President.
