**“CAVANAGH SERVICES GROUP, INC. RANKS AS 2<sup>ND</sup> FASTEST-GROWING COMPANY IN UTAH”**

Cavanagh Services Group, Inc. was recently honored at the “UTAH 100” Awards in Salt Lake City, Utah as the 2<sup>nd</sup> fastest-growing company in Utah. Cavanagh ranked 2<sup>nd</sup> out of the top 100 companies chosen. Rankings are based on the percentage of revenue growth from 2002 through 2006.

This is the third consecutive year the company has been chosen for the “UTAH 100” award by Mountain West Capital Network. Cavanagh was an “Emerging Elite” winner the past two years. This year, however, was much more rewarding for Cavanagh.

“We were hoping to make the top 25 which would have been very satisfying. As the countdown continued and our name was called at #2, we were truly thrilled. It is such a gratifying feeling when your team is recognized for working hard and accomplishing good things.” said Sue Rice, Cavanagh President.

Utah Governor Jon Huntsman, Jr. was the keynote speaker at the luncheon. “The UTAH 100 Award has become a prestigious recognition for our winners, and has significant meaning to those who receive it.” stated Todd Leishman, Chairman of this year’s UTAH 100 Program.

Cavanagh Services Group, Inc. is an integrated project and transportation management services company. Cavanagh uses a “blending” of its services to efficiently perform onsite project management work and transportation logistics using Cavanagh’s experienced and trained staff as well as its own transport equipment. Customers appreciate the value and efficiencies working with Cavanagh as the need for multiple subcontractors are eliminated.
