**“GARY BENDA JOINS CAVANAGH SERVICES GROUP AS VICE PRESIDENT”**

Cavanagh Services Group, Inc., an integrated project management and logistics specialty firm announced today that Mr. Gary Benda will join the company as Vice President of Business Development.

Mr. Benda joins Cavanagh from Studsvik, an international waste treatment, decommissioning, engineering & services company. He currently serves on numerous international radioactive waste management steering committees including the annual WM Symposia Conferences in Phoenix, AZ, the ASME ICEM Conferences and the EPRI LLW Conferences. Mr. Benda has a BS & MS degree in Health Physics/Environmental Science, an MBA, and has been a Certified Health Physicist for over 20 years. He has over 30 years of federal and commercial waste management, decontamination, decommissioning and environmental management experience.

“The addition of Gary to our team is a key strategic move for Cavanagh. His extensive background in waste management and exceptional reputation within the industry will significantly enhance our company growth.” stated Sue Rice, President of Cavanagh Services Group, Inc. As the Vice President of Business Development, Gary will focus on building Cavanagh’s integrated services to both commercial and federal clients. Mr. Benda will be based out of Columbia, SC and will head Cavanagh’s Southeast Regional office.
