CAVANAGH SERVICES GROUP IS NOW A WBENC-CERTIFIED WOMEN'S BUSINESS ENTERPRISE

Salt Lake City, Utah – October 2011 – Cavanagh Services Group, Inc. (Cavanagh) received national certification as a Women's Business Enterprise by the Women's Business Enterprise Council – West, a regional certifying partner of the Women's Business Enterprise National Council (WBENC).

WBENC's national standard of certification is a meticulous process including an in-depth review of the business and site inspection. The certification process is designed to confirm the business is at least 51% owned, operated and controlled by a woman or women.

By including women-owned businesses among their vendors, corporations, and government agencies demonstrate their commitment to fostering diversity and the continued development of their supplier/vendor diversity programs.

"The WBENC certification is a great tool in building a foundation with customers who embrace supplier diversity programs and philosophies. It gives the women-owned businesses a chance to get in front of the right people and show them the superior quality services that we provide. Since 2002 we have worked hard to grow the company into the reliable, respectable, and award-winning woman-owned firm it is today," stated Sue Rice, President and Founder of Cavanagh.
